

VOLVO CAR CLUB OF SOUTH AUSTRALIA Inc.

PO Box 218,
Torrensville Plaza SA, 5031

Operation of the SA 'Club Registration' Scheme

Vehicle Inspections: The Volvo Car Club of SA will continue to require that new vehicles presented for Club Registration **will be** inspected by a club's authorised officer in order to complete the MR334 endorsement.

It is the vehicle owner's responsibility to make the vehicle available for inspection at a **place and time** agreed with the authorised officer undertaking the inspection.

Further, the Volvo Car Club of SA will continue to require that vehicles already on Club Registration are sighted annually by an authorised officer of the club. This can be at the mid-year BBQ / Display Day held typically in June, or any event during the year at which a club's authorised officer is present.

Non-Volvo Vehicles: The Volvo Car Club of SA will restrict the overall number of non-Volvo vehicles participating in the Club Registration scheme via membership of the Club. Preference may be given to members who also have a Volvo vehicle registered through the Club.

Endorsement for Club Registration of any vehicle (Volvo or non-Volvo) will be at the sole discretion of the club's authorised officers.

Log Books: Log Books will be re-endorsed for the next membership year at the conclusion of the Club's Annual General Meeting, or by arrangement with a club authorised officer in the weeks following the AGM.

Renewal of Club Membership must be completed prior to your Log Book being re-endorsed.

Failure to complete Log Book re-endorsement **within 60 days from the AGM** will result in notification of non-compliant vehicles to Registrar of Motor Vehicles as required under the Code of Practice for the Club Registration scheme (effective 1 July 2017).

The Volvo Car Club of SA reserves the right to Refuse / Cancel a membership and Club Registration endorsement for any non-compliance with the Code of Practice and/or the guidelines set out above.
